CAPE TOWN & JOHANNESBURG

WANT TO TAKE THE NEXT STEP IN YOUR CAREER?

Looking to extend your knowledge of Scrum and Agile? Or are these new topics for you altogether? Join the 2-day Certified ScrumMaster® (CSM®) course to get a full understanding of the Agile mind-set and the Scrum framework.

You can expect a highly interactive and fun 2-days training where you will be challenged on your knowledge through exercises and simulations, and where the facts will be combined with practical examples.

Upon completion of the full 2-days training, there will be an online exam which will credit you with an internationally recognized Certified ScrumMaster® certificate (CSM®) from Scrum Alliance.

About the trainer

Iain Mckenna
Certified Scrum Trainer (CST)

Iain is an accredited Certified Scrum Trainer (CST) from the UK and has not only trained many people in Scrum but has extensive experience in actually applying the Scrum framework in a large variety of industries including media and telecoms, finance, education, health care, retail, leisure and gaming.

Malene Jacobsen
Co-Trainer

Malene will be co-training the course with Iain. Malene is one of the few people that has never done a Waterfall project. She was first exposed to agile and Scrum during her education in Advanced Computer Science and since then it has become a natural way of thinking both in work and her private life. Malene fully lives up to the saying: 'you don't do Agile, you become Agile!'

Why us?

- Guarantee first-hand practical guidance from international expert.
- You will gain valuable insight and inspiration which likely will inspire you to be a game changer yourself.
- You will receive frequent post-course follow-ups: Both Iain and Malene believe that your training course is the start of a life-long journey of continuous improvement and they are available to assist you on that journey in any way possible.
